Arrival and Dismissal Procedures

In the best interest of the safety and wellbeing of all students we are asking our families to follow the STRIDE arrival and dismissal procedures.

Before School:

- All students will enter in main door (Door 20-S)
- Breakfast will be served from 7:45 to 8:30. Students who will be eating breakfast must go to the lunchroom for breakfast before going to their classroom.
- School day begins at 8:15.
- Students should NOT arrive at school prior to 7:45 a.m. Students arriving before 7:45 a.m. will be required to wait in the front entry, unless they are attending KIDSTOP.
- Students who arrive between 7:45 and 8:15 will be supervised in the west gym.
- For parents with children who may need to be dropped off earlier than 7:45, KIDSTOP is available beginning at 6:30 a.m.
- If you are dropping your child off in the morning without walking into the building, please respect other drivers and keep the flow of traffic moving. If you need additional time, please park your car. **Please DO NOT stop or park your car in any of the traffic lanes.**

After School:

- The instructional day ends at 3:05.
- All students must be picked up no later than 3:15.
- Parent Pick-up: All families will be provided a Parent-Pickup-number that must be visible from the car for the staff member to see. Once the staff recognizes the number and deems its safe, the student(s) will be released to that car. This will require all parents using this system to remain in single file for the flow of traffic to be continuous. Staff will only release children if and when cars are not moving and when number is clearly visible.
- **If you need to walk in the building, you must park your car.**

STRIDE Academy Family and Student Handbook 2017-2018

- Parent pick-up will be on the east side parking lot and buses will be on the west side. No parents should park in the bus lanes at any time.
- **Please DO NOT stop or park your car in any of the traffic lanes.**

For the safety of your child, if you are making a change to the end of the day transportation, a note must be provided to the office or homeroom teacher. Please call the office (320.230.5340) **BEFORE 2:00 p.m.** in order to allow enough time for delivery to homeroom teacher.

If you plan to pick-up your children prior to the 3:05 dismissal, it is necessary for you to come to the office and sign them out. They will be dismissed from the office only.

Attendance

MN Compulsory School Attendance Law (Minn. Stat. § 120A.22) states that children between the ages 7 - 18, and ages 5 and 6 if they are enrolled, must attend school every day on time unless lawfully excused by the school. STRIDE Academy believes regular school attendance is vital for the child to experience optimum success at school and throughout life. Attendance habits developed in childhood often carry over into later school years and influence attitudes about work responsibility in later life. It is important that parents consider carefully any condition or activity that will keep the child out of school. Routine visits to doctor, dentists, etc., should be made at an after school hour if possible. Parents are urged to consider the school calendar carefully when planning family vacations, especially during summer session.

Important Notes Regarding Attendance

- Attendance is taken in every classroom at approximately 8:35 a.m.
- Please call the office before 9:00 a.m. when your child is absent.
- Calls will be made home throughout the day in order to verify absences.
- Parents must send a note to the office in order to excuse absences.
- Students are expected to be in their assigned area at designated times. Failure to do so constitutes tardiness.

Excused Absences: Regular attendance in school is a critical factor in student progress. The burden of a child being excused from school is placed on the parent/guardian. The school has the right to accept or not accept an excused absence. The school can reject invalid or unacceptable excuses from school. If it appears a parent/guardian is requesting that the school excuse excessive absences or keeping a child home for unacceptable reasons, the school has the responsibility to collect data and report excessive absences as truant and report to the proper authorities.

Examples of Acceptable Reasons for Absenteeism

- Illness (The school may request medical verification.)
- Doctor, dentist, mental health or other medical appointment. We encourage parents to make appointments before or after school. (Medical note is required for medical excuse)
- Religious holidays
- Extreme family emergencies (house fire, serious accident)
- Death in the immediate family

Unexcused absences may result in a truancy petition. We will monitor attendance closely and report truancy as mandated by state law. We will work collaboratively with County agencies to assist in resolving issues that result in truancy petitions.

Examples of Unacceptable Reasons for Absenteeism

- Staying home to baby-sit, “needed at home”
- Missed the bus, no way to get the student to school
- Student overslept or is “having a bad day”
- Travel, family vacations without prior approval
- Weather is too cold, too hot, too stormy
- Student has nothing to wear

Family Vacations/Camps: Children attending Stride Academy are expected to plan family vacations around the school calendar. Family vacations are not routinely accepted as excused absences. The Prior Approval form must be completed and pre-approved by the building principal in order to receive an excused absence to attend Summer Camp or family vacations during Academy school attendance days. Please be aware that these absences will count towards the child’s total absences allowed per quarter. The form is available at the main office.

Students will be allowed the following excused absences:

- 5 total absences by the end of 1st Quarter.
- 8 total absences by the end of 2nd Quarter.
- 10 total absences by the end of 3rd Quarter.
- 13 total absences by the end of 4th Quarter.

If excused absences exceed the totals above, additional absences will be marked unexcused, unless a doctor’s note is received.

Parents will receive a letter home reminding them of the attendance policy. If the excessive absences continue, parents will be required to hand in a doctor’s excuse for each absence. Letters are sent out according to the following schedule:

- When a student reaches the following **unexcused** absences the following steps will be taken:
 - At 2 unexcused absences an Attendance Alert letter will be sent to parents.
 - At 5 full day unexcused absences we will send an Initial truancy Referral form to the county in which the student resides. This letter is sent directly to the county and they sent a notice to the parents.
 - At 7 unexcused absences an Educational Neglect Referral form is sent to the county.

Backpacks/Bags

Backpacks and bags are not allowed to be worn in the building during the school hours except with the approval of the building administrator. Backpacks and bags are to remain in cubbies/lockers.

Before and After School Care

STRIDE Academy is proud to work with KIDSTOP to offer parents an opportunity to have their children in a before and after school care at school. Please be aware of the times students can be in the building prior to school and after the day ends. KIDSTOP is available for childcare outside of the school hours.

Student Accountability

From time to time, students do make mistakes. When students do not meet the expectations, a staff member will provide an opportunity for the student to correct the behavior. This may require the need for additional documentation, reminders, and assistance from our behavioral interventionist and administration. Below is a listing of violations that range from minor to major.

Bullying

The Board of STRIDE Academy supports a secure school climate, conducive to teaching and learning that is free from threat, harassment and any type of bullying behavior. The staff is expected to create a climate in which all types of bullying are not acceptable.

Bullying is defined as any written or verbal expression, physical act or gesture, or a pattern of those behaviors, that is intended to cause distress upon one or more students in the school environment, including the school building, grounds, vehicles, bus stops, and all school-sponsored activities and events.

A student who engages in any act of bullying is subject to appropriate disciplinary action including suspension, expulsion and/or referral to law enforcement authorities. The severity and pattern of the bullying behavior shall be taken into consideration when disciplinary decisions are made.

Anti-bullying efforts shall be aimed toward accomplishing the following goals:

- To teach students that bullying is not acceptable behavior at STRIDE Academy and will not be tolerated.
- To train staff and students in taking pro-active steps to prevent bullying from occurring.
- To implement procedures for immediate intervention, investigation, and confrontation of students engaged in bullying behavior.
- To initiate efforts to change the behavior of students engaged in bullying behaviors through re-education on acceptable behavior, discussions, counseling, and appropriate negative consequences.
- To foster a productive partnership with parents and community members in order to help maintain a bully-free environment.
- To support victims of bullying with individual, group and/or peer counseling.
- To help develop peer support networks, social skills and confidence for all students.
- To recognize and praise positive, supportive behaviors of students toward one another on a regular basis.

Communication between Families and Teachers

Communication is essential for efficient functioning of the school and delivering quality education to all students. Our primary mode of communication with families will be written.

- ALL students will be sent home with a **Thursday Folder**. The Thursday Folder will contain newsletters, assignments, student projects and information sent from the office and teacher(s).
- All teachers are expected to communicate with families as needed via e-mail, written notes or telephone calls.

STRIDE Academy Family and Student Handbook 2017-2018

- Teachers will send home mid quarter reports to communicate the academic progress of children.
- Please like us on Facebook as we will communicate events on Facebook as well.

Custody

In cases where parents are separated or divorced and only one parent/legal guardian has legal custody of a child, the school **must** be given a copy of the court order that determines custody and visitation rights. The school must have legal documentation in order to comply with any limiting court order. The school is unable to keep a non-custodial parent/legal guardian from picking up a child unless a valid restraining order or other appropriate legal documents are supplied to the school. State and federal data privacy laws recognize the right of a natural parent/legal guardian, regardless of child custody, to have access to the school records of his or her child. A non-custodial, natural parent/legal guardian may arrange to review the school record of his or her child as well as arrange to have materials from school, such as newsletters, mailed to them.

Discrimination

STRIDE Academy Board of Education has adopted the following policy regarding discrimination.

“No person shall, on the grounds of race, creed, sex, marital status, national origin, age, color, religion, ancestry, status with regard to public assistance, sexual or affectional orientation, familial status or disability be subjected to discrimination in any program operated by STRIDE Academy or in recruitment, consideration, selection, employment or rate of compensation by the Academy.”

Dress Code

STRIDE Academy requires students to adhere to our district-wide dress code. A dress code is conducive to positive learning outcomes in that students are not distracted by what clothing items are worn by other students. Our dress code consists of any solid colored polo shirt and tan or dark blue bottom.

- A polo shirt is defined as a collared shirt (no prints or stripes). It may consist of buttons, preferably no more than five, but it can be without buttons. The children may wear long, short, or sleeveless polo shirts. Students may wear a solid colored sweater or sweatshirt over the polo shirt (collar showing).
- The uniform bottoms must be tan-colored pants, skirts, skorts, shorts or capris. Any shade of tan or dark blue is acceptable. Any style is also acceptable (ex. cargo, relaxed, straight leg). All skirts and shorts must come to at least the lower thigh or 2 inches from knee in length.

STRIDE apparel, purchased through the school or PAC (Panther Activities Club), may also be worn at school. STRIDE Academy staff will monitor the uniform and will notify students and parents if the child is not meeting the qualifications for the dress code. If a student is not wearing the correct uniform, they will be asked to change clothes into the correct uniform at school. We do have limited extra clothes. Parents will then be called to ensure that that the uniform policy is followed.

STRIDE accommodates students' free exercise of a sincerely held religious belief by allowing religious attire to be worn in place of a uniform bottom, and requests that it be of a solid color. The dress code is not intended to and shall not be implemented in a way that promotes a particular religion or particular religious programs.

Electronic Devices

Cell phones and electronic devices are not to be used by students during our school day, unless given permission by a staff member. Students are highly encouraged to leave electronic devices home. If a cell phone or electronic device is being used without permission the following steps will be taken:

- 1st offense: The devices will be confiscated by the classroom teacher and held for the remainder of the school day. The student may pick up their electronic device at the end of the day.
- 2nd offense: Brought up to the office and the parent must pick up.
- 3rd offense: Additional detention or suspension will take place.

A school phone is available in every classroom and office for any emergency communication. Our office phone is answered during all hours of school operation and we are happy to facilitate your incoming messages to your children until 2:00 p.m. every day. If possible, please make after school arrangements prior to the start of the school day. STRIDE Academy cannot accept responsibility for lost, stolen or damaged electronic devices.

Emergency Drills

- Fire: Minnesota schools are required to conduct a minimum of five fire drills each year. At least one of these drills must be an obstructed exit fire drill. Fire drills will be conducted on a regular basis as per the State Fire Marshall regulations. In each room, an emergency escape plan is posted.
- Tornado: Minnesota schools are required to conduct a minimum of one tornado drill each year. In each room, an emergency escape plan is posted.
- Lockdown: Minnesota schools are required to conduct a minimum of five lockdown drills each year.
- All personnel within the building at the time of the drill are required to participate in the drill, unless given prior approval from the principal.

Emergency School Closings

In case of inclement weather, it is advised for families to watch for STRIDE Academy's response on school closings, late starts, or early release announcements. We will post these announcements on:

- STRIDE Academy Website
- Facebook
- Local Radio/Television Stations
- REMIND App: See office for information

Extra-Curricular Activities

STRIDE Academy offers both enrichment and athletic extra-curricular offerings for students. Information and registration forms for fall activities will be available at open house. Information and registration forms for winter and spring activities will be sent home with students. Please see the Activities Handbook for more information.

Field Trips

Students in all grades participate in field trips. These trips may require bus transportation. The field trips are carefully selected by the instructional staff to enhance and enrich students' learning. Some of the field trip expense may be covered by a special subsidy provided by our STRIDE Academy Fundraisers. Parents may be asked to help cover the field trip cost. In special cases, arrangements may be made to help reduce costs to parents. Field trip scholarships are available upon request through the school

STRIDE Academy Family and Student Handbook 2017-2018

administrator. No child will be denied participation because of finances. STRIDE Academy uniforms will be worn during field trips.

Food Allergies:

If your child has food allergies please call Emily Williams, our school nurse, to develop an appropriate lunch plan for your child.

Harassment

STRIDE Academy has a commitment to confront behaviors that are considered to be harassment. Prompt reporting and investigation by administration is mandated by the STRIDE Academy Board of Education. The following definitions of harassment apply:

Harassment is participating in, or conspiring for others to engage in badgering acts that injure, degrade, disgrace or threaten other individuals (examples include religious persecution or cruelty directed toward an individual with a disability).

Sexual Harassment is defined as, but not limited to:

- words or actions relating to sex that are derogatory, offensive, exploitative and/or degrading; or
- a display or circulation of materials and/or pictures, which are sexually explicit or demeaning (including web-based or electronically transmitted information).

Racial Harassment and racial bias is defined, but not limited to:

- words or actions relating to another individual's or group's race that is derogatory, offensive, exploitative and/or degrading; or
- a display or circulation of materials and/or pictures, which are derogatory to an individual's race (including web-based or electronically transmitted information).

Health Services

The mission of the STRIDE Academy Health Service Department is to "promote and support optimal health in staff and students for an optimal learning experience."

Student school health support services are coordinated by a Licensed School Nurse and a team of trained unlicensed Health Service Assistants (HSA's).

Immunizations: Kids Need Shots for School! It's the Law in Minnesota. To go to school in Minnesota, students must show they've had these immunizations or provide a Medical Exemption or Notarized Conscientious Exemption.

Medication Management in School Guidelines: Whenever possible, the parent or legal guardian should make arrangements so that it is not necessary for school personnel to administer a medication to a student. However, there are cases when a student's health could be compromised by not getting medication during school hours. When sending any **prescription** or **nonprescription** medication to school each year, parents must send:

1. Written parent permission (Medication Administration Form) authorizing school personnel to administer medication during school hours.

STRIDE Academy Family and Student Handbook 2017-2018

2. A written order from the physician (Medication Administration Form) indicating the necessity of any (prescription or over-the counter) medication, including dose and how often it can be given. The physician may fax the order to the school.
3. Only Medication supplied in the original labeled bottle/package will be administered. For prescription medication, the pharmacist can supply a duplicate labeled container so one can be kept at home and one can be kept at school. Each container should have the phone number of the pharmacy, student's name, physician's name, medication's name, dosage, time to be given, and route (oral, inhaled, etc.).
4. For the safety of all students and required school bus protocol; parents are required to bring their child's medication to the school office directly.
5. Medications are stored and will be administered within the Health Service Office.
***Exceptions: are students who may carry an asthma inhaler or an epi-pen and the following is then required:
 - a. A written doctor's order and written parental permission for student to "self-carry".
 - b. The student must demonstrate to the school nurse competency in administration. Other special requests may be discussed with the School Nurse.
6. **Half Tablets.** Health Service staff are NOT responsible for breaking tablets in half. This will not be done at school. When there is a physician order to give one-half of a tablet, please talk with your pharmacist.
7. **Field Trips.** If your child takes daily or as-needed medication, you will be receiving a form to complete indicating whether or not there is a need for this medication on field trips. A designated teacher will be administering necessary medication. Health Services staff do not routinely accompany students on field trips.

Students with Special Health Support Needs: Parents are asked to contact the school nurse prior to the school year to discuss the support needs of their child during the school day. This includes students with medical support needs, such as: severe allergies, asthma, seizures, diabetes, toileting support, etc. The School Nurse will work with the family and the student's health care provider to develop an "Individual Health Care Plan", as deemed necessary.

Homework

Homework is an essential part of a student's education. It is an extension of learning that occurs in the classroom. It engages family members in the student's learning. The purpose of homework is to:

- Share the learning process with family members,
- Reinforce what is learned in class,
- Develop good study habits,
- Prepare for activities that will occur in the classroom, and
- Provide additional time to complete assignments given during class.

We want STRIDE Academy students to develop a responsible attitude towards their school work. Well-designed homework assignments are age-appropriate and within the skill-range of the students.

STRIDE Academy Family and Student Handbook 2017-2018

Homework will be directly related to class work and expectations will be explained. The amount of homework will vary from grade to grade and subject to subject. It will also differ according to the learning needs of individual students. Not all students require the same amount of homework. Students should have a quiet place to work and a regular “homework time” that allows them to complete all homework assignments. Study Hall will not be integrated into our schedule this year.

Lockers and Cubbies

School lockers and cubbies are the property of Stride Academy. At no time does the school relinquish its exclusive control of lockers/cubbies provided for the convenience of students. School authorities may conduct inspection of the interior of lockers/cubbies at any time, without notice, without student consent, and without a search warrant. Lockers/cubbies should not be written on, damaged, or used to house obscene or illegal items. No pictures, stickers, etc. will be placed on the outside of the lockers/cubbies. For health and sanitary reasons, food or liquids must be stored in appropriate containers. Students are not allowed to eat or drink at their lockers. If so, the item will be confiscated until the end of the day. Students are expected to use their assigned lockers/cubbies for the duration of the school year. Students are not allowed to switch or share lockers with another student. The school will not be held responsible for missing property. Never keep money or valuable property in lockers/cubbies.

All students furnished with a locker may wish to have a lock on their locker. If so, they must purchase a lock from the Office. Only locks purchased from the office are allowed on lockers. Any unapproved locks will be removed. Remember to never share combinations with others. Please note that you are purchasing a lock, not renting. Students may use their purchased lock each year they attend STRIDE. Locks are \$5. Also, if your locker is not functioning properly; please report this to the office staff/custodian.

Lost & Found

Parents are strongly encouraged to check the lost and found often and to write student’s name on clothing. Unclaimed items will be donated to charity on a monthly basis and at the end of the school year.

Lunch Prices

Lunch and milk is available on site at STRIDE Academy. Please send money to the office for lunch/milk in a sealed envelope with student’s name and class or electronically through Skyward. Families may qualify for free or reduced lunch based on verification of income. These forms are available in the Office. STRIDE follows federal guidelines and supports healthy lunch choices.

Parent Involvement Opportunities

- **P.A.C. (Panther Activities Club)**
 - The STRIDE Academy Activities Club is an organization composed of parents, staff, and friends of STRIDE Academy. The Activities club will provide additional support to all extra-curricular activity programs at STRIDE Academy through volunteerism and financial support. The Activities Club will help purchase supplies, equipment, provide scholarships, help with team events, as well as recognize students' participation beyond what the activity fees provide.
- **P.A.T.H.S. (Parents and Teachers Helping Students)**
 - All Parents, Guardians, and Teachers of STRIDE Academy are members of PATHS and are invited to attend the meetings. PATHS is a volunteer organization of parents and guardians who want to assist our teachers and staff in making STRIDE Academy the best school it can be! The meeting agenda will be posted on the PATHS bulletin board.
- **Volunteers**
 - We anticipate having many volunteers working in the building.
 - We need to complete background checks on anyone directly interacting with our students in school and register them for safety purposes.
 - Volunteers will be expected to comply with school policies and procedures and maintain expectations of the school and classroom.
 - When a volunteer comes to school to work, s/he must sign in at the office and obtain a visitor's badge which will visibly identify them to staff and students.
 - Please watch the newsletters and volunteer emails for opportunities.
 - Please contact your child's school office if you would like more details on getting involved.
 - We ask each family volunteer at least 30 hours per school year. Volunteers under the age of 18 must be supervised by an adult.
 - Hours can be logged on the school website or in front office. It is the volunteer's responsibility to log their own hours.
- **Fundraising** - We appreciate any fundraising support or ideas you may have to offer. Please contact the office or a representative from PATHS for additional information on fundraising procedures. Snacks and Treats at School

General Policy:

- Students are encouraged to drink water during the school day. If they wish to carry water with them, it must be in a clear water bottle and not contain any flavored additives. No carbonated beverages will be allowed during the school day.
- Please be aware certain foods may cause allergic reactions in others, specifically peanut and tree-nuts allergies. Please ask your teacher about peanut or other allergies within the classroom.

Treats:

- When food is served in the classroom for parties, birthday treats, etc., it must be commercially prepared and wrapped or prepared by a licensed caterer or by the school food service personnel. All treats must be in accordance with the Wellness Policy.
- Students are not allowed to drink soda or juice boxes in the classrooms.

Snacks:

- All snacks should be nutritious (i.e. fruit, crackers, and cheese, etc.) and in accordance with the Wellness Policy.
- Students are not allowed to drink soda or juice boxes.

Standardized Testing

STRIDE Academy uses district assessments to monitor student progress and to make programming changes when needed. Students will be assessed multiple times per year and the data will be shared with parents during conferences. The State of Minnesota requires administration of the MCA tests (Minnesota Statewide Comprehensive Assessment) for 3rd-6th grades. We follow the MDE (MN Dept. of Ed.) calendar of testing dates. STRIDE uses the NWEA Measures of Academic Progress (MAP) computerized test to help improve student achievement. The NWEA (MAP) Tests will be given in the fall, winter and spring for all Kindergarten – 6th grade students. Parents will receive their child's individual progress three times per year. The ACCESS Test is administered to English Language Learners. We will notify parents of specific testing dates.

Student Assistance Team (SAT)

The Student Assistance Team (SAT) is a committee made of up teachers and other staff members who are called upon to provide interventions and assistance to students who are struggling, both academically and behaviorally. Teachers who bring their concerns to this team are also expected to communicate to the child's parents about these concerns. After the meeting, teachers will follow the developed plan for 6 to 8 weeks and will provide information in a follow-up meeting, where the team will determine next steps. As always, please communicate with your child's teacher if you have any concerns.

Student Planners (Grade 2 through 6 only)

A few of the most important things parents and businesses say they want students to learn while in school is good communication, organization and planning skills. STRIDE Academy wants these things for our students too. Therefore, STRIDE invests in quality student planners designed to help students plan their required class projects, organize their daily assignments and participate in their weekly activities/athletics. We believe the initial investment is well worth the skills being built in using their student planner daily. This can be a great communication tool for parents, teachers and students so we encourage parents to check their child's planner every day and return it with notes to facilitate communication as needed. Also, student planners are used as hallway passes, so staff can see when a student left class and for what reason they are in the hallway. The cost to replace the planner is \$5.00.

Tobacco Use

STRIDE Academy is a tobacco free school. No one, including staff, visitors, or parents have the right to pollute the air or endanger the health of others. No one is permitted to smoke, chew, carry or distribute tobacco (cigarettes, cigars, e-cigs, and other) products in school, on school grounds, on school property, at any school sponsored activity at home or away, or on school sponsored transportation. Anyone engaging in these behaviors will be asked to leave school property.

Visitors

For the safety and well-being of all children, the following guidelines regarding visitors in the building have been developed:

- All visitors, including parents and volunteers, must check-in at the school office and receive a badge. Anyone not wearing a badge will be escorted to the office to receive one.
- Children visiting (former students, relatives or friends wishing to visit STRIDE Academy) need prior approval from classroom teacher and principal, as these types of visits are a distraction from the learning environment for students. Children must be accompanied by an adult and sponsored by a teacher.

Weapons – Zero Tolerance

In accordance with state and federal laws, weapons of any kind are strictly forbidden in all school buildings, on all school grounds and busses. Under this policy, look-alikes (including toy guns, squirt guns, toy knives, etc.) may be considered to be weapons. Students may NOT have paring knives in their school lunches. Students must be instructed not to bring any of these objects on the bus or to school. See Weapons Policy 501 in the back of this handbook.

Withdrawal or Transfer

The following procedure is established for students withdrawing from school:

1. As soon as you know that a child is being withdrawn, notify the school office of the last day of attendance.
2. The student must pay for any lost library books, food service and turn in any school books to his/her teacher.
3. Parents will be asked to fill out a withdrawal form and exit survey.
4. The student must remove all personal property from his/her desk.
5. When the school receives formal notification of the student's enrollment in another school, his/her records will be forwarded to that school, providing the parent has signed a statement authorizing transfer of these records.

School Board Policies

514 BULLYING PROHIBITION POLICY

Rev. 2010

I. PURPOSE

A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with students' ability to learn and teachers' ability to educate students in a safe environment. The school district cannot monitor the activities of students at all times and eliminate all incidents of bullying between students, particularly when students are not under the direct supervision of school personnel. However, to the extent such conduct affects the educational environment of the school district and the rights and welfare of its students and is within the control of the school district in its normal operations, it is the school district's intent to prevent bullying and to take action to investigate, respond, remediate, and discipline those acts of bullying which have not been successfully prevented. The purpose of this policy is to assist the school district in its goal of preventing and responding to acts of bullying, intimidation, violence, and other similar disruptive behavior.

II. GENERAL STATEMENT OF POLICY

- A. An act of bullying, by either an individual student or a group of students, is expressly prohibited on school district property or at school-related functions. This policy applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying. This policy also applies to any student whose conduct at any time or in any place constitutes bullying that interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student, other students, or employees.
- B. No teacher, administrator, volunteer, contractor, or other employee of the school district shall permit, condone, or tolerate bullying.
- C. Apparent permission or consent by a student being bullied does not lessen the prohibitions contained in this policy.
- D. Retaliation against a victim, good faith reporter, or a witness of bullying is prohibited.
- E. False accusations or reports of bullying against another student are prohibited.
- F. A person who engages in an act of bullying, reprisal, or false reporting of bullying or permits, condones, or tolerates bullying shall be subject to discipline for that act in accordance with school district's policies and procedures. The school district may take into account the following factors:
 - 1. The developmental and maturity levels of the parties involved;
 - 2. The levels of harm, surrounding circumstances, and nature of the behavior;

STRIDE Academy Family and Student Handbook 2017-2018

3. Past incidences or past or continuing patterns of behavior;
4. The relationship between the parties involved; and
5. The context in which the alleged incidents occurred.

Consequences for students who commit prohibited acts of bullying may range from positive behavioral interventions up to and including suspension and/or expulsion. Consequences for employees who permit, condone, or tolerate bullying or engage in an act of reprisal or intentional false reporting of bullying may result in disciplinary action up to and including termination or discharge. Consequences for other individuals engaging in prohibited acts of bullying may include, but not be limited to, exclusion from school district property and events and/or termination of services and/or contracts.

- G. The school district will act to investigate all complaints of bullying and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who is found to have violated this policy.

III. DEFINITIONS

For purposes of this policy, the definitions included in this section apply.

- A. "Bullying" means any written or verbal expression, physical act or gesture, or pattern thereof, by a student that is intended to cause or is perceived as causing distress to one or more students and which substantially interferes with another student's or students' educational benefits, opportunities, or performance. Bullying includes, but is not limited to, conduct by a student against another student that a reasonable person under the circumstances knows or should know has the effect of:
 1. harming a student;
 2. damaging a student's property;
 3. placing a student in reasonable fear of harm to his or her person or property; or
 4. creating a hostile educational environment for a student.
- B. "Immediately" means as soon as possible but in no event longer than 24 hours.
- C. "On school district property or at school-related functions" means all school district buildings, school grounds, and school property or property immediately adjacent to school grounds, school bus stops, school buses, school vehicles, school contracted vehicles, or any other vehicles approved for school district purposes, the area of entrance or departure from school grounds, premises, or events, and all school-related functions, school-sponsored activities, events, or trips. School district property also may mean a student's walking route to or from school for purposes of attending school or

STRIDE Academy Family and Student Handbook 2017-2018

school-related functions, activities, or events. While prohibiting bullying at these locations and events, the school district does not represent that it will provide supervision or assume liability at these locations and events.

IV. REPORTING PROCEDURE

- A. Any person who believes he or she has been the victim of bullying or any person with knowledge or belief of conduct that may constitute bullying shall report the alleged acts immediately to an appropriate school district official designated by this policy. A student may report bullying anonymously. However, the school district's ability to take action against an alleged perpetrator based solely on an anonymous report may be limited.
- B. The school district encourages the reporting party or complainant to use the report form available from the principal of each building or available from the school district office, but oral reports shall be considered complaints as well.
- C. The Dean of each building is the person responsible for receiving reports of bullying at the building level. Any person may report bullying directly to a school district human rights officer or the district's director.
- D. A teacher, school administrator, volunteer, contractor, or other school employee shall be particularly alert to possible situations, circumstances, or events that might include bullying. Any such person who receives a report of, observes, or has other knowledge or belief of conduct that may constitute bullying shall inform the building principal immediately.
- E. Reports of bullying are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law.
- F. Submission of a good faith complaint or report of bullying will not affect the complainant's or reporter's future employment, grades, or work assignments, or educational or work environment.
- G. The school district will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the school district's obligation to investigate, take appropriate action, and comply with any legal disclosure obligations.

V. SCHOOL DISTRICT ACTION

- A. Upon receipt of a complaint or report of bullying, the school district shall undertake or authorize an investigation by school district officials or a third party designated by the school district.

STRIDE Academy Family and Student Handbook 2017-2018

- B. The school district may take immediate steps, at its discretion, to protect the complainant, reporter, students, or others pending completion of an investigation of bullying, consistent with applicable law.
- C. Upon completion of the investigation, the school district will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited behavior. School district action taken for violation of this policy will be consistent with the requirements of applicable collective bargaining agreements; applicable statutory authority, including the Minnesota Pupil Fair Dismissal Act; school district policies; and regulations.
- D. The school district is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of the school district. School officials will notify the parent(s) or guardian(s) of students involved in a bullying incident and the remedial action taken, to the extent permitted by law, based on a confirmed report.

VI. REPRISAL

The school district will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who retaliates against any person who makes a good faith report of alleged bullying or against any person who testifies, assists, or participates in an investigation, or against any person who testifies, assists, or participates in a proceeding or hearing relating to such bullying. Retaliation includes, but is not limited to, any form of intimidation, harassment, or intentional disparate treatment.

VII. TRAINING AND EDUCATION

- A. The school district annually will provide information and any applicable training to school district staff regarding this policy.
- B. The school district annually will provide education and information to students regarding bullying, including information regarding this school district policy prohibiting bullying, the harmful effects of bullying, and other applicable initiatives to prevent bullying.
- C. The administration of the school district is directed to implement programs and other initiatives to prevent bullying, to respond to bullying in a manner that does not stigmatize the victim, and to make resources or referrals to resources available to victims of bullying.

VIII. NOTICE

The school district will give annual notice of this policy to students, parents or guardians, and staff, and this policy shall appear in the student handbook.

502 SEARCH OF STUDENT LOCKERS, DESKS, PERSONAL POSSESSIONS, AND STUDENT'S PERSON

[Note: School districts are required by statute to have a policy addressing these issues.]

I. PURPOSE

The purpose of this policy is to provide for a safe and healthful educational environment by enforcing the school district's policies against contraband.

II. GENERAL STATEMENT OF POLICY

STRIDE Academy Family and Student Handbook 2017-2018

A. Lockers and Personal Possessions Within a Locker

Pursuant to Minnesota statutes, school lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant. 503 STUDENT ATTENDANCE

[Note: The provisions of this policy substantially reflect statutory requirements.]

I. PURPOSE

- A. The school board believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance. It is intended to be positive and not punitive.
- B. This policy also recognizes that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher and administrators. This policy will assist students in attending class.

II. GENERAL STATEMENT OF POLICY

A. Responsibilities

1. Student's Responsibility

Finally, it is the student's responsibility to request any missed assignments due to an absence.

2. Parent or Guardian's Responsibility

It is the responsibility of the student's parent or guardian to ensure the student is attending school, to inform the school in the event of a student absence, and

STRIDE Academy Family and Student Handbook 2017-2018

3. Teacher's Responsibility

It is the teacher's responsibility to take daily attendance and to maintain accurate attendance records in each assigned class and study hall. It is also the teacher's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly. Finally, it is the administrator's responsibility to inform the student's parent or guardian of the student's attendance and to work cooperatively with them and the student to solve attendance problems.

b. In accordance with the Minnesota Compulsory Instruction Law, Minn. Stat. § 120A.22, the students of the school district are REQUIRED to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed the studies ordinarily required to graduate from high school, has withdrawn, or has a valid excuse for absence.

 - (b) After such notification, the student or his or her parent or guardian may, within a reasonable time, request a conference with school officials regarding the student's absences and the prescribed discipline. The notification will state that the school strongly urges the student's parent or guardian to request such a conference.
