

This month, we introduced a reading program to students in grades 2-6 called “Rock ‘n’ Read”, which uses singing to unlock children’s potential for reading and learning.

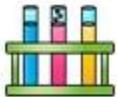

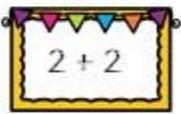

Research has shown that the ability to keep a steady beat and music-making enables the brain for reading and learning.

As the weather gets colder, please remember to send the appropriate outdoor clothing to school with your child.

Do you know families who have children starting Kindergarten next year?

If you or someone you know has a child ready to start Kindergarten next year (must be 5 years old on or before September 1st, 2019), ask them to consider STRIDE Academy.

Give us a call to set up a tour, meet the teachers, and see the exciting things that STRIDE has to offer.

320.230.5340

Spots will fill up fast, so spread the word!

Please remember to make HEALTHY choices when sending snacks and birthday ‘treats’ to school!

October News

In the event that school is ever closed or delayed, we follow the same procedures as the St. Cloud School District (742). If 742 is closed or delayed (for weather-related reasons) Stride is as well. We will also notify families by phone, email, and our website. PLEASE make sure we have the most current phone number and email on file.

Reminder:
There is **no school** for students on the following dates in November:

November 2nd
November 21st-23rd
November 30th

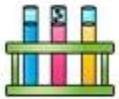

P.A.T.H.S.

P.A.T.H.S. (Parents and Teachers Helping Students) supports our students with funds for activities that might not otherwise be possible (field trips, assemblies, etc.).

In an effort to raise funds for this year's activities, an online fundraiser has been set up.

<https://www.givemn.org/organization/Stride-Academy-Paths>

Please consider going to this website and donating. We also hope you share this with family and friends. Any amount helps. Thanks in advance for supporting our STRIDE students!

Thanks to all who attended conferences. It was a great turnout!
