It is **important** to put the name of the student you are supporting at STRIDE into **the additional note to merchant/optional note area** when you buy your coffee. If you don't have a STRIDE student to support, please just enter "Front Desk" followed by your name and phone number and we will call you when your order is ready to be picked up.

Without following these instructions, we won't know which STRIDE student to give your coffee order to so that they may deliver it to you.

Please see the back of this form for a listing of all of the coffee that is available during this fundraiser. When you are ready to order, please go to:
