Physical Education Rollerskating Permission Slip Waiver

Dear Parent or Guardian:

From February 20- March 7, our Physical Education classes will be participating in an in-house roller-skating program through our local roller-skating company, Skatin Place. The skates will be delivered directly to the school. **Due to insurance purposes, we can only using The Skatin' Place's skates.**

This skating unit is being implemented because of its emphasis as a "Lifetime Activity." Skating provides a variety of benefits, which include balance, coordination, motor skills and a top rated cardio-respiratory workout. Students will also learn the basic skating skills such as starting, stopping, forward skating, backward skating, cornering and a number of safety tips for being a smart skater.

The fee for this unit will be \$5.00 per student. Checks should be made payable to STRIDE Academy. The fee includes delivery and pickup of the equipment as well as use of the skates for 4 Physical Education class periods. The students will also be required to wear wrist guards and helmets. They students can wear their own from home or they can wear the equipment that's supplied by Skatin' Place.

Have your child return the bottom portion of this permission slip with the fee to their classroom teacher no later than Wednesday Feb 13th **Remember, your child will not be able to skate in Physical Education unless the following permission form and fee are turned in.** We want all students to be able to participate in this activity. It would be greatly appreciated if you are able to sponsor a skater by donating an extra \$5.00. During this unit, we are also in the need of volunteers, so let me know if you are interested in volunteering as we'll need help with the skates and assisting individual skaters.

Sincerely,

Jason Fleege
