# PANTHER PROBLEM SOLVERS

## Math Club Registration Form

**PANTHER PROBLEM SOLVERS** explore ways to use math to solve problems together.

Each session will be a different adventure in numbers, concepts, collaboration, & games, with a take-home sheet for more math adventures at home. There is no such thing as being “good” or “bad” at math. At Math Club, we Panther Problem Solvers are all here to help each other out during the exploration! We will be meeting after school from 3:15pm - 4:15pm at Stride.
