

5K and Fun Run

Dear STRIDE Families:

Greetings!

We are more than thrilled to announce that the 7th Annual STRIDE Academy 5K and Fun Run date is set. The event is scheduled for May 10, 2019 at the STRIDE Academy campus in St. Cloud. As you know, STRIDE Academy is a free, public charter school located in St. Cloud, serving more than 350 students in grades K-6, who live in St. Cloud and the surrounding areas. The school is continuing to grow and is even adding 7th grade next year! This event is one of STRIDE Academy's top fundraising events for the school. This being our 7th anniversary, we anticipate a large number of participants once again. We are looking for businesses owned or worked at by STRIDE families. We would love for you and your business to help to provide the best education for the school's students!

We are reaching out to you to let you know about the sponsorship opportunities for this event. As an event sponsor, we hope you feel your company would benefit from exposure at this race, and we would love for your business to be marketed throughout and consider sponsoring our event at a level you feel fit. Being a sponsor of this event gives your company visibility to all participants and the school's entire roster. This is a GREAT way to let our community know that you support our efforts in improving the education of our children and you are helping to better the central Minnesota community.

The success of this event hinges on the support of our community and our generous business sponsors. Please review the enclosed sponsorship details and consider supporting this important event in your annual budget. We continue to make huge strides for the future of our children with the help of generous businesses like yours!

As a sponsor, our intent again this year is to give you the most exposure as we can prior to the event, and at the event itself. Please contact Jason Fleege at 320-230-5340 for more information.

Thank you for your consideration and generous support!!

Sincerely,

Jason Fleege
