# YOUTH SUMMER SPORTS

At the Y, kids learn fundamental sports skills as well as character and leadership development. All youth sports are co-ed and are taught with our 4 core values: **caring, honest, respect, and responsibility**. All players are required to wear a Y Youth Sports Jersey (available for \$16 at the Y front desk). The jerseys can be used for all future youth sports. Jerseys from prior St. Cloud Y sports may be re-used for the current season. Teams will be created based on schools. If there are not enough players from a school, students will be combined.
