1. Why would you like to serve on the STRIDE Board of Directors?

I love being a part of this school. What I've seen in terms of the direction and the mission of STRIDE is exciting and I would be proud to help continue to make STRIDE the amazing school that it is.

2. What experience and specific area/s of expertise would you bring to the board?

I have been a teacher for the last 14 years and have had the opportunity to be a part of many committees, striving to make each school the best it can be for the students, staff and families.

3. What are the primary issues you think need to be addressed by the board over the next two years?

I am so happy that STRIDE is aiming to expand back to a K-8 school by adding 7th grade next year. I want to make sure that we can continue this by adding that last 8th grade section the following year. I would also like to find more ways to get families involved and for them to be comfortable adding to our STRIDE family.
